Sub: MSPCB Reform to be implemented under Business Reform Action Plan 2024: regarding

Sir

With reference to the above and as mandated by the Department for Promotion of Industry and Internal Trade (DPIIT) under the Business Reforms Action Plan (BRAP) 2024, and in line with our going effort to enhance the Ease of Doing Business in Meghalaya, we are focusing on integrating key services with the Unified Investment Portal (UPI). This initiative aligns with our commitment provide a unified digital interface, simplifying processes for Businesses and investors in the state.

We propose API based integration for the following three services into UPI through a Single Sign-On (SSO) feature:

1. Consent to Operate (CTO)
2. Consent to Establish (CTE)
3. Authorization of Hazardous Waste Management

These integrations will facilitate seamless access and improve user experience by minimizing repetitive data entry, ensuring consistent information across platforms, and expediting the processing of applications. The SSO feature will significantly enhance usability, allowing stakeholders to navigate the system effortlessly and complete their required procedures more efficiently

Regarding Extended Producer Responsibility (EPR) we are prepared to integrate this feature once it is fully on-boarded on the EPR CPCB portal. We understand the importance of ensuring compliance and streaming process related to EPR, and our planned integration will insure a hassle-free process for all stakeholders.

We aim to expedite the integration process and ensure that the services are integrated by the 28th of February 2025. I look forward to your cooperation in speeding up the integration process. Please feel free to reach out if you have any questions or require additional information

Thanking You

Yours faithfully

Dr. G.H. CHYRMANG, MFS
MEMBER SECRETARY

Meghalaya State Pollution Control Board
Shillong

Dated, Shillong, the 14th February, 2025

NOTIFICATION

No.MPCB/GEN-148/VOL-II/2024/2024-2025/40- WHEREAS Ease of Doing Business is a priority of the Government of Meghalaya, in consonance with the Business Reform Action Plan of the Department of Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India;

WHEREAS there is a need to simplify business regulations and ease of compliance to bring transparency in information dissemination and appropriate implementation.

NOW THEREFORE, under recommendation of the **Business Reforms Action Plan 2024** recommends that an online single window system/online system be created and notify mandating all the applications are submitted online with no requirement for submissions of a hard copy through the **Invest Meghalaya Portal** and no applications would be accepted offline in the near future as and when online services are made available for the following services: -

1. **Registration/ Renewal of Authorization under the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016**
2. **Registration/ Renewal of Bio medical waste Management Rules, 2016**
3. **Registration/ Renewal of Solid waste Management Rules, 2016**
4. **Registration/ Renewal of Construction and demolition waste management rules 2016**

Additionally, the portal/(s) shall provide the following features: -

1. The portal/(s) will enable online application submission, payment, status tracking, document download, and third-party verification without requiring physical documents or interactions, while sending notifications at critical stages via SMS/email.
2. There shall be no physical touch points between applicant & Department from the time of application process to till the final decision except in cases where inspection/site visit is required under the concerned Act/Rules. Applicant need not be physically present for submission and verification of documents before the certificate/license/approval/ permit is issued.
3. Notification(s) at every critical stage of application processing shall be sent to the applicant through SMS/ email.
4. All queries/clarifications related to applicants shall be sought once and within 7 days of receiving the application from such applicant by concerned authority and resolution shall be given within 15 days.
5. An online dashboard has been created in the **Invest Meghalaya Portal** for the services listed above. The online dashboard covers features related to service timelines prescribed as per the Public Service Guarantee Act, total number of applications received, number of applications received, number of applications approved, average, median and minimum time taken for obtaining approvals, along with the average fee for completion of entire process. The dashboard is developed in the following format as per DPIIT mandate: -

Meghalaya State Pollution Control Board
